20 Seconds of Courage

You're invited to a much different life, one where it will take 20 seconds of courage to step into a place that's bigger than playing it safe. A place that can change your life, change other's lives, and possibly generations to come. "20 Seconds of Courage" is the front door to a place where the God of the Universe can show you impossible things that can only happen through Him. Where He's the only one who could get the credit. Imagine how many great things in history have been birthed through 20 seconds of insane courage, are you in?!
